Specifications of Building

- 1.0 Foundation**
Bore Piles.
- 2.0 Superstructure**
Reinforced concrete using Grade C32/40 concrete complying with SS EN 206 and steel reinforcement bar complying with SS 2-2.
- 3.0 Walls**
a. External: Reinforced concrete / Precast concrete panels

b. Internal: Precast concrete panels / Plasterboard drywall partition.
- 4.0 Roof**
a. Pitch Roof: Metal roof panels with appropriate insulation on reinforced concrete slab.

b. Flat Roof: Reinforced concrete slab with appropriate waterproofing and insulation board (excluding external RC ledge and canopy).
- 5.0 Ceiling**
a. Plasterboard false ceiling to Living room, Dining, Kitchen, Bedroom, Family lounge, Study and Bathroom.

b. Skim coat / plasterboard with emulsion paint to Lift lobby and common area.

c. Ceiling height:
i) Living Room, Dining, Bedroom and Study area: 2.9m
ii) Kitchen: 2.4m / 2.9m
iii) Bathroom, designated area & Bulkhead: 2.4m
iv) Lift lobby and common area: 2.2m / 2.4m
- 6.0 Finishes**
a. Wall:
i) Living Room, Dining, Bedroom, Study area, Storeroom, Family lounge and Balcony: Skim coat/plastering with emulsion.

ii) Kitchen: Wall tile / skim coat plastering.

iii) Bathrooms: Wall tile.

iv) Lift lobby and common area: Skim coat with emulsion paint / wall tile to selected wall.

b. Floor:
i) Living Room, Dining, Kitchen, Bathroom, Storeroom, Family lounge and Balcony: Floor tile.

ii) Bedroom and internal stairs: Timber floor strips.

iii) Study area: Floor tile / Timber floor strips (attic floor).

iv) Air-con ledge: Cement screed.

v) Lift lobby and common area: Skim coat with emulsion paint / wall tile to selected wall.
- 7.0 Windows**
a. Aluminium frame casement / sliding / top hung window with glazing.

b. Min 6 mm thick blue colour tinted glazing.
- 8.0 Doors**
a. Unit main entrance: Timber swing door in veneer finish. Bedroom and bathroom: Timber swing door / timber sliding door in plastic laminate finish. Balcony/ Terrace: Aluminium frame sliding door with glazing.

b. Quality door locksets for main entrance door and bedroom doors.
- 9.0 Sanitary Fittings**
a. All Bathrooms: Vanity basin, shower, water closet, mirror, toilet paper roll holder and towel rail – one each.

b. Powder room: Vanity basin, water closet, mirror, toilet paper roll holder – one each.

- 10.0 Electrical Installation**
a. Wiring in concealed conduit except wiring at DB cabinet, air-con ledge and above false ceiling in exposed conduits/trunking.

b. Refer to Table 1 for electrical schedule.
- 11.0 TV / Cable Services / Telephone points**
a. Wiring in concealed conduit except wiring at DB cabinet and above false ceiling in exposed conduits/trunking.

b. Master Antenna system : Digital TV in DVB-T2 Television Standard.

c. Fibre optic termination point and data point patch-panel at DB cabinet.

d. Refer to Table 1 for electrical schedule.

Table 1 : Electrical Schedule

Unit No.	1st Storey Units (#01-0_)		Typical Units				Penthouses (#05-0_)		
	7	8	1 & 8	2 & 7	3 & 6	4 & 5	2 & 7	3 & 6	4

Telephone/Data Point	5	5	3	5	6	4	7	8	6
Air-Con Isolator	3	5	2	3	3	2	4	5	3

- 12.0 Lightning protection**
Lightning protection system shall be in accordance with SS 555.

- 13.0 Painting**
a. Water-based emulsion paint to internal and external walls.
b. Solvent-based enamel paint to ferrous metal.

- 14.0 Waterproofing**
Kitchen, Bathroom, Balcony, Roof Terrace, RC flat roof, swimming pool and pool deck (excluding RC ledge and A/C ledge).

- 15.0 Driveway and carpark**
a. 1st storey carpark and surface driveway: Cobblestones / granite tile
b. 1st storey surface parking: Aerated slab
c. Basement driveway and parking lot: Concrete floor with epoxy finish
d. Basement driveway ramp to 1st storey: Concrete floor

- 16.0 Recreational facilities**
a. One Swimming Pool (80 sqm) with 2 jacuzzi.
b. One Wading Pool (20 sqm).
c. Three pool-side trellis cabanas.
d. One BBQ pit.
e. One Function Room.
f. One outdoor fitness equipment cluster.

- 17.0 Additional items**
a. Kitchen Cabinet:
i) Timber carcass in plastic laminate finish to exposed surface.
ii) Polyester resin solid surface counter-top with stainless-steel sink.
iii) Electric hob, electric oven and electric hood. No town-gas.

b. Bedroom Wardrobe: Timber carcass with plastic laminate finish at exposed surfaces.

c. Electric Water Heater: Hot water supply to all Bathrooms.

d. Air-conditioners: Wall mounted FCU multi-split air-conditioning system. Refer to schedule below on number of Fan-coil unit.

Unit No.	1st Storey Units (#01-0_)		Typical Units				Penthouses (#05-0_)		
	7	8	1 & 8	2 & 7	3 & 6	4 & 5	2 & 7	3 & 6	4
No. of FCU	5	5	2	5	6	3	7	8	5

Notes to specifications

- a. Timber strips**
Timber strips are natural materials containing veins and tonal differences. Thus, it is not possible to achieve total consistency of colour and grain in their selection and installation. Timber strips are also subject to thermal expansion and contraction beyond the control of the builder and the Vendor.
- b. Air-conditioning system**
To ensure good working condition of the air-conditioning system, the system has to be maintained and cleaned on a regular basis by the Purchaser. This includes the cleaning of filters, clearing of condensate pipes and charging of gas. The Purchaser is advised to engage his own contractor to service the air-conditioning system regularly. Notwithstanding this assignment, the Vendor shall remain fully responsible for the performance of its obligations under clauses 9 and 17.
- c. Television and/or Internet Access**
The Purchaser is liable to pay annual fee, subscription fee and such other fees to the television and/or internet service providers or any other relevant party or any relevant authorities. The Vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective channels and/or internet access.
- d. Materials, Fittings, Equipment, Finishes, Installations and Appliances**
Subject to clause 14.3, the brand, colour and model as specified for all materials, fittings, equipment, finishes, installations and appliances to be supplied shall be provided subject to the Architect's selection and market availability.
- e. Layout/Location of Fan Coil Units, Electrical Points, Television Points, Telecommunication Points, Audio Intercom System, Door Swing Positions and Plaster Ceiling Boards**
Layout/Location of fan coil units, electrical points, television points, telecommunication points, audio intercom system, door swing positions and plaster ceiling boards are subject to the Architect's final decision and design.

- f. Warranties**
Where warranties are given by the manufacturers and / or contractors and / or suppliers of any of the equipment and/or appliances installed by the Vendor at the Unit, the Vendor will assign to the Purchaser such warranties at the time when vacant possession of the Unit is delivered to the Purchaser. Notwithstanding this assignment, the Vendor shall remain fully responsible for the performance of its obligations under clauses 9 and 17.

- g. Web Portal of the Housing Project**
The Purchaser will have to pay annual fee, subscription fee or any such fee to the service provider of the Web Portal of the Housing Project as may be appointed by the Vendor or the Management Corporation when it is formed.

- h. False Ceiling**
The false ceiling space provision allows for the optimal function and installation of M&E services. Access panels are allocated for ease of maintenance access to concealed M&E equipment for regular cleaning purposes. Where removal of equipment is needed, ceiling works will be required. Location of false ceiling is subject to the Architect's sole discretion and final design.
- i. Glass**
Glass is manufactured material that is not 100% pure. Invisible nickel sulphide impurities may cause spontaneous glass breakage, which may occur in all glass by all manufacturers. The Purchaser is recommended to take up home insurance covering glass breakage to cover this possible event. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clauses 9 and 17.

- j. Mechanical Ventilation System**
Mechanical ventilation fans and ductings are provided to toilets which are not naturally ventilated. To ensure good working condition of the mechanical ventilation system, the mechanical ventilation system for the exhaust system within internal toilets (where applicable) is to be maintained by the Purchaser on a regular basis.

- k. Wall**
All wall finishes and painting shall be terminated at false ceiling level. There will be no tile works and painting behind kitchen cabinets / vanity cabinet / mirror.

- l. Cable Services**
The Vendor shall endeavour to procure a service provider for cable television and/or internet services (the "Cable Services") to provide the necessary cabling or connection from its network to the Housing Project (or any part or parts thereof), so as to enable the Housing Project to receive the Cable Services. In the event, despite reasonable efforts being made by the Vendor, the Vendor is unable to procure any service provider to provide the said cabling or connection, thereby resulting in there being no Cable Services available in the Housing Project, the Vendor shall not be liable to the Purchaser for any compensation or for any damages, costs, fees, expenses or losses whatsoever, or howsoever incurred, by virtue of the Purchaser being unable to obtain the Cable Services in the Housing Project.

Whilst every reasonable care has been taken in preparing this brochure, the developer and its agents cannot be held responsible for any inaccuracies. All statements are believed to be correct but are not to be regarded as statements or representations of fact.

All information and specifications are current at the time of going to press and are subject to change as may be required and cannot form part of the contract. All plans are subject to any amendments approved or may be approved by the relevant authority. Visual representations including (architectural) models, drawings, photographs / pictures and artists' renderings are impression only, while illustrations of interiors are only decor suggestions and none to be regarded as representation facts. Floor areas are approximate measurements and subject to final survey.
